

# SimGlas® SGV-6610 Frosted Ice Cubes

SimGlas ® SGV-6610 Frosted Ice Cubes Is made of durable frosty polymeric PVC film with a semi-transparent pattern of ½" x ½" squares. The film is UV stabilized and will not shrink. Recommended for application to interior glass and exterior glass (inside surface) including skylights (inside surface). This product is perfect for privacy, decorative or architectural applications. This film is manufactured with a silicone liner which protects the clear pressure-sensitive acrylic adhesive. This film is applied using the same tools and techniques for applying window films.

### **Fire Rating**

The product complies to ASTM E84 and is classified as Class A, as defined in NFPA 101, Life Safety Code®.

# **Product Description**
